

NEW COLLECTION

Un ambigrama con carácter, frescura y singularidad.

An ambigram with character, freshness and uniqueness.

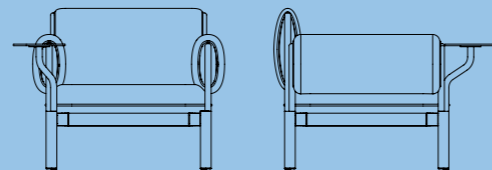

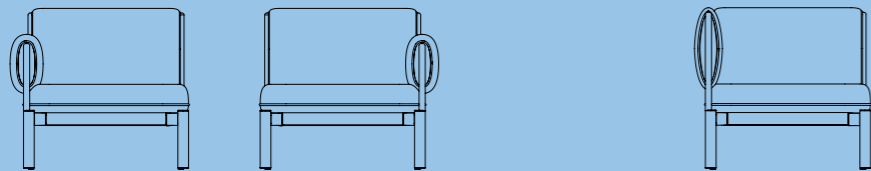

Yonoh Studio

Un ambigrama con carácter, frescura y singularidad, que nace del afán de romper esquemas. Formado por Clara del Portillo y Alex Selma, especializados en producto e interiorismo. Amantes de los detalles, cuidan con mimo todos sus diseños, los cuales se caracterizan por su sencillez y funcionalidad. Gracias a su personalidad han sido reconocidos con premios tan prestigiosos como Red Dot o IF Design Award, entre otros.

An ambigram with character, freshness and individuality, arising from the urge to break the mould. Produced by Clara del Portillo and Alex Selma, product and interior design specialists. With an eye for detail, they apply painstaking care to all their designs, characterised by their simplicity and functionality. Their personality has led them to winning some prestigious awards, including Red Dot or IF Design Award.

NEXO

Una colección altamente componible, sin olvidar el confort. Así es Nexo, un módulo cuadrado único, con el cuál podemos componer un sinfín de conjuntos. Gracias a su versatilidad, se pueden crear combinaciones para todos los gustos. Nexo cuenta con fundas tapizadas situadas tanto en brazos como respaldo, ofreciendo así un gran confort a su usuario. Diseñado y pensado para poder disfrutar al aire libre.

A highly modular collection, without forgetting comfort. This is Nexo, a unique square module, with which we can compose an endless number of sets. Thanks to its versatility, you can create combinations to suit all tastes. Nexo has upholstered covers on both armrests and backrest, offering great comfort to its user. Designed and conceived to be enjoyed outdoors.
