THE → DRAWING BOARD

GOLDEN GLOW

It's summer, and your whole being is dripping with bronzed, golden goodness. The bright sun beats down and brings out the golden glow, both inside and out. You feel the world begin to warm and soon everything is passing by in a wild, wonderful haze. Our first "Drawing Board" collection focuses on this summery golden glow. With The Drawing Board - Golden Glow, we are taking designs that were created for specific projects or that never "made it off the drawing board" and offering them as designs to the world at large. These pieces focus on warm tones in powder coated golds, bronzes, and crystal amber. They are made to shimmer and shine and bring out the most luxurious golden glow in your design space.

SUMMER 2021

GLOW

The puff of a dandelion in a warm, fertile field. The strands drifting into the wind, the sunlight capturing every single journey. In this design, anodized aluminum petals are attached to stems radiating from a bright polished aluminum sphere.

Ø1200 / Ø4'

Powder Coated Aluminum, LED Bi-pins

MULINELLO

This design is bound to sweep you off your feet. The swirl of this modern chandelier is meant to reflect a whirlpool. Each aluminum powder coated rolled tube features an illuminated inner face. Tubes are suspended at various angles for a multi-faceted experience.

Ø1800mm x 1300mm / Ø5'-11" x 4'-4"

Powder Coated Aluminum, LED strip

DIZZY

The warm rise of summer's heat can make us all a little dizzy with joy. This design reflects those lazy, hazy days. Rolled tubes with a brass powder coat finish are suspended from a black ACM ceiling plate. Swirling, laser cut acrylic elements are suspended from the tubes.

Ø2390mm x 1600mm / Ø7'-10" x 5'-3"
Powder Coated Metal, Acrylic, LED bi-pins

FOREVER AMBER

This chandelier is forever precious with a mix of clear, amber, and emerald glass beads that radiate an amber glow. Anodized aluminum elements and mix of glass beads are suspended from powder coated curved rails to provide jewel-like elegance and playfulness.

Ø1800mm x 2000mm / Ø5'-11" x 6'-6"

Glass, Metal, LED bi-pins

ANILLO

May this golden band never be broken. Shimmering panels of gently bent anodized aluminum elements are suspended in a circle from a donut-shaped mirror ACM ceiling plate and lit by 24 LED bi-pins.

Ø2300mm x 500mm (1250mm OAH) / 7'-7" x 1-8" (4' OAH)

Powder Coated Aluminum, LED Bi-pins

SALAMANCA

Inspired by the ornate architecture of a golden Spanish city, this design was created to embody the warmth and glamour of the golden hour. Anodized aluminum panels, each slightly curved, are brushed in a gold finish and arranged around a powder coated central core. The fixture is suspended on a powder coated tube.

Ø1070mm x 914mm / 3'-6" x 3'
Powder Coated Aluminum, LED Bi-pins

METROPOLIS

It may be hot in the urban jungle but these screens are all about a confident cool. Each panel is made from anodized ACM in a brushed gold finish and attached to a powder coated black tube mounted to top and bottom plates.

3050m x 1200mm x 100mm / 10' x 4' x 4"

Powder Coated Metal
